Respected Sir/ Madam,

Fiat Mission would like to thank you for the opportunity that you have given us to collaborate with your esteemed institution in the academic year 2022-23. We have collected used papers from Mar Ivanios College on 20-05-2023 which amounts to 2 ton. We will recycle and reuse the collected paper for the creative purpose of printing Bible.

Thank you for your help and support.

Regards,
Fiat Mission
