If your application is being supported by one of our agents, please contact them directly for further support with your application to the University of Greenwich or with any questions about the below.

Your next steps

1. Check the information listed above is all correct. If any of it is inaccurate, please email aoc@gre.ac.uk to have it changed.

2. Accept your offer by emailing us, including your Applicant ID: **001270585**, at accepts@gre.ac.uk.
3. If you require a Student visa, make your pre-registration deposit of £3,000 to begin the CAS process.
4. Once your deposit is received, complete the pre-CAS checks and begin the Student visa application process.
5. Receive your CAS, and apply for your Student visa.

Fee status

The University has determined that you should pay fees at the **Overseas** rate. This assessment has been made based on the information you have provided. If you disagree with this assessment or your circumstances have changed, information on how to appeal this decision is available at <https://www.gre.ac.uk/finance/fees/how-your-fees-status-is-assessed>.

If your programme of study is greater than one year, the tuition fee paid for each subsequent year of study will be the same as the fee for your first year of study (listed above). We would only consider an increase to the fee rate for continuing students to reflect the increased cost of delivering the course in subsequent years. Further information regarding tuition fees is available at <https://www.gre.ac.uk/finance/fees/international-fees>.

Confirming your place

To accept or decline your offer, please email accepts@gre.ac.uk within 28 days with your decision. If you do not accept your offer within 28 days then your offer may not be guaranteed. Visa information

As an international student, you may require a visa to study with us. It is your responsibility to ensure that you are in possession of a valid visa for studying at the University.

Most students will obtain a visa by applying for a Student visa from the UK Government. In order to apply for this visa, you will require a Confirmation of Acceptance for Study (CAS) number issued by the University of Greenwich. The University will begin the CAS issuance process once you have paid the £3,000 pre-registration deposit, or have provided proof of sufficient financial sponsorship. You must also complete other pre-CAS issuance checks. More information on the visa requirements can be found at <https://www.gre.ac.uk/visa/before-you-arrive>. If you are unsure whether you require a Student visa, please email us at casrequests@gre.ac.uk.

Further guidance on visas and immigration can be found at <https://www.gov.uk/student-visa/apply>. For independent advice, you can refer to <https://www.ukcisa.org.uk/Information--Advice/Visas-and-Immigration/Student-immigration-the-basics>.

How to pay

The pre-registration deposit is the first payment of your tuition fees and reduces the amount payable on registration. It also qualifies you to begin the CAS process for your Student Visa application. The University encourages students to use the Western Union payment platform, WU GlobalPay for Students, which allows you to pay fees in your local currency and significantly reduces payment fees charged by your bank. See <https://www.gre.ac.uk/finance/fees/how-to-pay-your-fees> under 'International Students' for further details on how to make your payment to us.

Any deposit payments you make to us are subject to our Charging and Refund policies. This and all other university policies regarding payment of tuition fees can be found at <https://docs.gre.ac.uk/rep/sas/charging-and-refund-policy>.

The contract between you and the University

Please read the Terms and Conditions (<https://www.gre.ac.uk/about-us/governance/legal-information/terms-and-conditions>) which apply to the information contained in our prospectus (<https://www.gre.ac.uk/subjects>). By accepting the offer of a place with us, you'll be accepting these terms and conditions and they'll form part of the contract between you and the University if you register as a student.

If you accept our offer, you'll be asked to agree to the University's Principal Conditions of Registration when you register as a student. These are also part of the contract between you and the University. The Principal Conditions of Registration for the current year are available at <https://docs.gre.ac.uk/rep/sas/principal-conditions-reg> and can be downloaded and saved for future reference. They include a summary of significant or unusual terms which we recommend that you read. The Principal Conditions of Registration are updated annually and may be updated before you register, all changes will be notified to students on the university website and any significant changes will be communicated to you via email.

You'll have the right to cancel the contract between you and the University within 14 days of registering as a student, as explained in the Principal Conditions of Registration (<https://docs.gre.ac.uk/rep/sas/principal-conditions-reg>). See Withdrawal and Interruption of Studies for the process and relevant forms.

By registering as a student, you'll also agree to accept the University's Student Regulations, Policies and Procedures. The current year's versions are available at <https://www.gre.ac.uk/student-services/regulations-and-policies>.

Students under 18 years at the time of registration

If you'll be under 18 years of age at the time of registration, or under 18 years of age at the time of applying for a visa, the university will undertake certain arrangements to fulfil our duty of care, as detailed in the Under 18s Policy (<https://www.gre.ac.uk/student-services/regulations-and-policies>). It's a condition of registration that your parent or guardian confirms, via return of the Parents/Guardians Consent Form, their acceptance of these arrangements. The form is available to download at <https://www.gre.ac.uk/student-services/regulations-and-policies>.

Programme Offered: Biotechnology MSc

Academic and English Language conditions: Unconditional

Start Date: 09/01/2023

Duration of Programme: 1 year

Campus: Greenwich

Campus Location: Pembroke, Central Avenue, Chatham Maritime, Kent ME4 4TB

Tuition Fee for Year of Offer: £15100

Financial Condition: Minimum pre registration deposit of £3000 (See conditions below):

Thank you for your application to the University of Greenwich. I am pleased to offer you a place on the programme specialised above. You will shortly receive a second emailed offer letter, which will include your Applicant ID (beginning in 001). If you have not received this email and wish to pay your deposit, please contact your agent who will obtain the 'Applicant ID' from the university.

To accept or decline this offer please reply to accepts@gre.ac.uk within 28 days to let us know. If you do not reply within 28 days, then we may be unable to guarantee your place, as it may be offered to another applicant. Please ensure that you include your Applicant ID in your response.

Tuition Fee & Pre Registration Deposit

The pre-registration deposit is the first payment towards your tuition fees; it reduces the tuition fees payable on registration and confirms your place on the programme offered. It can be paid by a Bank Draft made payable to the University of Greenwich or by direct transfer to the university's bank account.

The deposit paid to confirm the offer of place is only refundable where the applicant provides evidence that the application for a student visa was not accepted for the year the academic offer was made.

Full details of tuition fees, the pre-registration deposit, how to pay the deposit, university bank account details, available bursaries and scholarships and links to the charging and refund policy can be found at <https://www.gre.ac.uk/finance/fees> or by contacting international@gre.ac.uk

For Ds assessed as paying fees at the **international rate**, tuition fees are subject to an annual fee setting exercise and will rise annually by no more than RPI – X +3% (Retail Price Index excluding mortgage interest rates +3%). We would only consider an increase to the fee rate for continuing students to reflect the increased cost of delivering the course in subsequent years.

Visa

This offer cannot be used to obtain a Tier 4 student visa.

As an international fee paying student you will probably need a Tier 4 Student Visa to study with us. If you do require a Tier 4 Student Visa to study in the UK, please refer to the University Sponsorship Policy at <http://www2.gre.ac.uk/current-students/regs/?a=1441173>.

Information on how to apply and the requirements for your student visa to study with us can be found on the UK Government website at <https://www.gov.uk/browse/visas-immigration/student-visas>

Useful information is also available on the UKCISA (UK Council for International Student Affairs) web-link <http://www.ukcisa.org.uk/>

It is your responsibility to ensure that you are in possession of an appropriate and valid visa.

Tier 4 Student Visas are institution specific; if you have studied in the UK previously and hold a student visa for another institution you will need to make a new visa application before you can register at the University of Greenwich.

One of the requirements of the UK Visa & Immigration (UKVI) when applying for the first time or renewing your student visa is that you provide proof that you have sufficient funds to cover the costs of the tuition fees for your first year of study plus the minimum UKVI maintenance requirement. The minimum maintenance requirement will depend on which campus you will be studying at.

Our Maritime Greenwich and Avery Hill Campuses are '*in London*' and our Medway Campus is '*outside London*'. Please ensure that you are aware of UKVI requirements on the minimum amount required, how you provide evidence of this and the length of time the funds must be held. Read carefully *Tier 4 of the Points Based System - Policy Guidance* on the UKVI website https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/370866/T4_Guidance_11-14.pdf

Confirmation of Acceptance of Studies (CAS) Number:

To apply for a Tier 4 Student Visa you will require a CAS Number. This is not an actual certificate or paper document but is a number issued electronically. It is unique to you and the University of Greenwich and contains information about the course of study for which it has been issued and your personal details. It is valid for six months from issue; you cannot apply for your student visa more than three months prior to the start of your programme.

A CAS Statement including your unique CAS number and the other relevant information (including the qualifications used to assess your offer of place) will be emailed to you or to your agent (if your application was received from an authorised representative of the university).

We would like you to receive your CAS number, if required, as quickly as possible so please contact the International Office at international@gre.ac.uk as soon as you have paid the pre-registration deposit and any academic or English language conditions have been fulfilled.

Campuses

The university has three campuses. Which Campus you will be studying on depends on the Faculty and programme you will be studying with us and is stated above. The Greenwich Campus is on a World Heritage Site on the banks of the Thames in London. Our Avery Hill Campus is in Eltham in south-east London and our Medway Campus is in the County of Kent.

English Language

When you join us you may be required to take a short written English test to establish what language support, if any, may help you succeed in your chosen programme. If the university recognises that you will benefit from English language support you will be required to attend classes, free of charge. Your attendance and progress will be monitored, and you will be expected to complete the course and pass the assessment.

Accommodation

All new students who join the university in September are guaranteed accommodation, either in a university hall of residence or in university approved housing, providing they meet the terms and conditions of the Accommodation Guarantee. Information about university accommodation including application deadline dates and other terms and conditions of the Accommodation Guarantee can be found at www.gre.ac.uk/accommodation. Please ensure you read this information carefully and if you have any queries contact a member of staff in the Accommodation Office at your campus of study. Contact details can be found at www.gre.ac.uk/accommodation. If you would like information about finding accommodation in the private rented sector or temporary accommodation in hotels, hostels or lodgings, please contact the Accommodation Service for further information. Please ensure that you have a safe place to stay when you arrive in the UK. The Accommodation Service cannot offer temporary or emergency housing and you should not arrive without a place to stay.

On Arrival

When you arrive at the university to commence your studies you will be invited to register. This is a two part process.

Part 1: Online Registration: Requires you to log in to the university portal and go through an online process to verify information about yourself and your new programme of study. In order to start Online Registration, you will need your portal login details. These will be emailed to you or your agent nearer the start date of your programme when you have completed all stages of the admissions process. You will also be given a summary of the balance of your first year's tuition fees less any payments including the pre-registration deposit and any discounts.

To complete your registration, you will need to pay at least 50 per cent of this amount. This amount can be paid during online registration by entering credit/debit card details. Alternatively you can transfer the payment to the university's bank account or pay directly to the Student Centre by bank draft.

The remaining balance of tuition fees for September starters will be due before the last Friday in January and for January starters before the last Friday in May. A 2.5 per cent discount is available on your tuition fees if you pay your year's tuition fees in full before the end of September (for those registering on September programmes) or the end of January (for those registering on January

programmes). This discount is not available for programmes run in our Medway School of Pharmacy and pre-sessional English language programmes.

Part 2: Identity and Qualification Checks: This is where you will show a member of staff your passport, proof of your visa and the original of your qualifications stated in your CAS statement (including authorised translations if not in English). These must be original documents and not photocopies.

Our international team will be happy to answer any questions you may have, please email international@gre.ac.uk. We look forward to welcoming you to the University of Greenwich and wish you every success in your studies.
