

Yearly Status Report - 2019-2020

Part A

Data of the Institution

1. Name of the Institution		MAR IVANIOS COLLEGE (AUTONOMOUS)
Name of the head of the Institution		Dr K. I. GEORGE .
Designation		Principal
Does the Institution function from own campus		Yes
Phone no/Alternate Phone no.		04712531053
Mobile no.		9447241425
Registered Email		info@mic.ac.in
Alternate Email		principal@mic.ac.in
Address		Mar Ivanios Vidya Nagar Nalanchira P.O.
City/Town		Thiruvananthapuram
State/UT		Kerala
Pincode		695015
2. Institutional Status		

Autonomous Status (Provide date of Conformant of Autonomous Status)	13-Jun-2014
Type of Institution	Co-education
Location	Urban
Financial Status	state
Name of the IQAC co-ordinator/Director	Dr JIJIMON K. THOMAS
Phone no/Alternate Phone no.	04712531053
Mobile no.	9447205190
Registered Email	iqac@mic.ac.in
Alternate Email	jijimon.thomas@mic.ac.in

3. Website Address

Web-link of the AQAR: (Previous Academic Year)	https://www.micigac.com/aqar.html
--	---

4. Whether Academic Calendar prepared during the year

Yes

if yes, whether it is uploaded in the institutional website:
Weblink :

https://marivanioscollege.com/Welcome/Useful_links

5. Accreditation Details

Cycle	Grade	CGPA	Year of Accreditation	Validity	
				Period From	Period To
1	Old	67.14	1999	01-Feb-1999	31-Jan-2004
2	A	85.2	2005	20-May-2005	19-May-2010
3	A	3.11	2011	17-Sep-2011	16-Sep-2018
4	A+	3.38	2019	28-Mar-2019	27-Mar-2024

6. Date of Establishment of IQAC

01-Jun-2001

7. Internal Quality Assurance System

Quality initiatives by IQAC during the year for promoting quality culture		
Item /Title of the quality initiative by	Date & Duration	Number of participants/ beneficiaries

IQAC		
Initiated the design of syllabus for various add on courses through FQC	11-Apr-2019 1	26
Initiated the project preparation for UGC Paramarsh scheme	22-Aug-2019 1	4
Action plan to focus on fifth cycle(2024) NAAC accreditation was done and appropriate working team was identified.	12-Feb-2020 1	19
Student IQAC Meeting	13-Aug-2019 1	35
AQAR preparation for 2019-20, data Collection, Action plan for data collection through Faculty Quality Circles(FQC) launched	03-Jan-2020 1	30
Central documentation committee was established	19-Dec-2019 1	4

L::asset('/', 'public/').'/public/index.php/admin/get_file?file_path='.encrypt('Postacc/Special_Status/'. \$instdata->upload_special_status)}}}

8. Provide the list of Special Status conferred by Central/ State Government-UGC/CSIR/DST/DBT/ICMR/TEQIP/World Bank/CPE of UGC etc.

Institution/Department/ Faculty	Scheme	Funding Agency	Year of award with duration	Amount
Science Departments	FIST	DST	2018 1825	10800000
College	RUSA	Govt of Kerala	2019 730	20000000
College	Paramarsh	UGC	2019 365	3000000

[View Uploaded File](#)

9. Whether composition of IQAC as per latest NAAC guidelines:

Yes

Upload latest notification of formation of IQAC

[View Link](#)

10. Number of IQAC meetings held during the year :

3

The minutes of IQAC meeting and compliances to the decisions have been uploaded on the institutional

Yes

website	
Upload the minutes of meeting and action taken report	View Uploaded File
11. Whether IQAC received funding from any of the funding agency to support its activities during the year?	No

12. Significant contributions made by IQAC during the current year(maximum five bullets)

Initiated the implementation and syllabus preparation for four new undergraduate programmes of study namely BSc Computer Science, BA English and Communicative English, BSc Statistics, and BA Analytical Economics. Data was prepared and submitted for NIRF. College ranked 48 in NIRF 2019 among colleges. Imitated the syllabus preparation for various addon certificate courses. 24 certificate courses implemented in 2020. Initiated and implemented the project preparation under UGC Paramarsh scheme. 7 mentee colleges chosen for mentoring. Implementation of the recommendation of NAAC peer team

No Files Uploaded !!!

13. Plan of action chalked out by the IQAC in the beginning of the academic year towards Quality Enhancement and outcome achieved by the end of the academic year

Plan of Action	Achivements/Outcomes
Initiated the project preparation for UGC Paramarsh scheme	MoU signed_ Standing Committee constituted_ Introduced the scheme and selected 7 mentee colleges -launched the programme
Syllabus preparation of BSc Computer Science and BA English and Communicative English	Introduced the new programmes
Participation in NIRF	College was ranked forty eight
Reconstitute criteria-wise Faculty Quality Circles (FQCs) in view of the 5th NAAC Accreditation due in 2024	Constituted and meetings held
Conduct of BoS meetings of all departments for Syllabus revision	Conducted_ Minutes presented in Academic council Syllabus revision process completed.
A Workshop on Outcome Based Education (OBE) curriculum framework for all faculty members by Kerala State Higher Education Council held on 24 & 25 January 2020 organised by IQAC	Successfully conducted
10-day in service training for higher secondary teachers of English	Organized jointly by the English department and Department of Higher Secondary Education, Government of Kerala
Organize an orientation programme for college Principals/ IQAC Coordinators	Conducted by Kerala State Higher Education Council on August Twenty Two.

of various colleges in Trivandrum district	
Orientation and Bridge course for UG students.	Successfully conducted
Question Bank preparation	Introduced QB for all subjects/courses.
No Files Uploaded !!!	

14. Whether AQAR was placed before statutory body ?	Yes
--	-----

Name of Statutory Body	Meeting Date
Academic Council	14-May-2021

15. Whether NAAC/or any other accredited body(s) visited IQAC or interacted with it to assess the functioning ?	No
--	----

16. Whether institutional data submitted to AISHE:	Yes
---	-----

Year of Submission	2020
--------------------	------

Date of Submission	28-Feb-2020
--------------------	-------------

17. Does the Institution have Management Information System ?	Yes
--	-----

If yes, give a brief description and a list of modules currently operational (maximum 500 words)	<p>The College has a highly customized College Management System which has made much of the administrative work paperless the entire admission process since 2015 has been made online and paperless. The College Management System used by the college gives solution to digitize and streamline the daytoday operations of colleges. We are using KnowledgePro software for managing the academic activities of the college. This software helps us in the management of our Admissions, Attendance, Examinations, Teachers Evaluations and Student / Parents Portal. Some of the modules/features of the software are below stated:</p> <p>Admissions: Online Application submission, Online payment of Application fees, Automatic generation of Index Mark, Rank list as per Index Marks and Allotment of seats to students as per Rank list. Attendance: Day to day attendance is taken using this Module, SMS are sent to Absentees</p>
--	--

parents, Internal marks pertaining to Attendance are automatically generated, Daily Attendance updates are available online for both Students and Parents via Student /Parent Portal.

Examination: This module deals in all aspects of Examination: Hall Ticket Generation, Marks Entry of Internals, Externals and Practicals are done through this Module. Marks are published through Student / Parents Portal and students can view the same. Supplementary Examination Applications, Scrutiny and Revaluation Applications can be submitted through this Module. Marks card Printing are also done through this Module. Teachers

Evaluation Module: Students evaluate the teachers on different Parameters via this Module. The Student names remain anonymous. Graphical representation and Value representation are received to individual teachers post evaluation by the students.

Students / Parents Portal: This is a platform which provides an option for Students, Parents and Management to interact. This is also the medium through which the college publishes the Examination Results, Attendance updates, News and Notification from College, Teachers Evaluation Module is accessed by via students / Parents Portal. There is also a Grievance Portal available for Students and Parents in the Students /Parents Portal. Apart from the above we have many services offered online. Soft copies of previous years 'question papers are available online at the College website for download Question Bank and its management is also done through the software. The only part of the examination process which uses paper is for the printing of the question papers and for the answer sheets of student everything else is done online. The IQAC has gone completely online through the IQAC website Notices and circulars to Faculty members from the Principal are given only through email all information to staff and students is shared through the College website and through the electronic notice board. The library management information Software (LIBSOFT) of the college integrated with the MIS handles

libraryrelated activities. It involves looking for books, book issuance, book tracking, student record system, etc. Barcode integrated library management is also facilitate in our library through the software.

Part B

CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Design and Development

1.1.1 – Programmes for which syllabus revision was carried out during the Academic year

Name of Programme	Programme Code	Programme Specialization	Date of Revision
BA	AUEC	Economics	29/06/2019
BSc	AUPY	Physics	03/06/2019
No file uploaded.			

1.1.2 – Programmes/ courses focussed on employability/ entrepreneurship/ skill development during the Academic year

Programme with Code	Programme Specialization	Date of Introduction	Course with Code	Date of Introduction
BSc	Computer Science	03/06/2019	AUCS122 Digital Electronics	03/06/2019
BSc	Computer Science	03/06/2019	AUCS141 C Programming	03/06/2019
BSc	Computer Science	03/06/2019	AUCS14PI C Programming Lab	03/06/2019
BSc	Computer Science	03/06/2019	AUCS14PII IT Lab	03/06/2019
BSc	Computer Science	03/06/2019	AUCS242 Data Structures using C	03/06/2019
BSc	Computer Science	03/06/2019	AUCS243 Web Programming	03/06/2019
BSc	Computer Science	03/06/2019	AUCS24PI Data Structures Using C Lab	03/06/2019
BSc	Computer Science	03/06/2019	AUCS24PII Web Programming Lab	03/06/2019
BSc	Physics	03/06/2019	AUPY541 Statistical Physics and Research Methodology	03/06/2019
BSc	Physics	03/06/2019	AUPY543 Electronics	03/06/2019

[View Uploaded File](#)

1.2 – Academic Flexibility

1.2.1 – New programmes/courses introduced during the Academic year

Programme/Course	Programme Specialization	Dates of Introduction
BSc	Computer Science	03/06/2019
BA	English and Communicative English	03/06/2019
No file uploaded.		

1.2.2 – Programmes in which Choice Based Credit System (CBCS)/Elective Course System implemented at the College level during the Academic year.

Name of programmes adopting CBCS	Programme Specialization	Date of implementation of CBCS/Elective Course System
BA	English and Communicative English	03/06/2019
BSc	Computer Science	03/06/2019

1.3 – Curriculum Enrichment

1.3.1 – Value-added courses imparting transferable and life skills offered during the year

Value Added Courses	Date of Introduction	Number of Students Enrolled
AUCS241: Environmental Studies	03/06/2019	31
AUCE251: Environmental Studies	03/06/2019	51
No file uploaded.		

1.3.2 – Field Projects / Internships under taken during the year

Project/Programme Title	Programme Specialization	No. of students enrolled for Field Projects / Internships
BSc	Botany and Biotechnology	26
MSc	Chemistry	15
BA (Journalism)	Journalism and Mass Communication	41
BVoc	Software Development	44
BVoc	Tourism and Hospitality Management	41
MTTM	Tourism and Travel Management	14
BSc	Physics	57
MSc	Physics	13
BSc	Chemistry	45
BSc	Zoology	42
View Uploaded File		

1.4 – Feedback System

1.4.1 – Whether structured feedback received from all the stakeholders.

Students	Yes

Teachers	Yes
Employers	Yes
Alumni	Yes
Parents	Yes

1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution?
(maximum 500 words)

Feedback Obtained

Feedback from students for respective courses is taken at the end of each semester before the students register for the end semester examinations especially for various teaching, learning aspects. The same feedback is analysed by the Principal to ascertain the corrective measures required if any, and informed to the respective faculty for further improvements personally by the Principal. Any case which may seem to be reported to the Manager or the Governing Council of the college is done so by the Principal. A structured feedback for the evaluation of curriculum and syllabus has been generated in Google form for all stakeholders including students, faculty, alumni and parents. The feedback so collected is analysed thoroughly and taken in to consideration for bringing out appropriate changes for further improvement of the Syllabus. Feedback is taken from the parents and alumni for improvement of curriculum and analysed by the Heads of the Departments together with the faculty members and based on their suggestions suitable corrective changes are adopted while revising the curriculum. Feedback from the students especially final year students who covered the entire syllabus are taken and relevant suggestions for improving the curriculum and syllabus are implemented. Effective methods like remedial teaching, group assignments, revision classes and extra hours for laboratory work are implemented. It is then evaluated and conveyed to the Chairman, Board of Studies of respective departments. In addition to the above, each Board of Studies has a representative of the alumni as its member and the same alumnus brings to the attention to the Board any suggestion on behalf of the alumni. These suggestions/corrections recommended by the students and other stakeholders are discussed in the BoS meeting to finalise necessary modifications required, prior to syllabus revision. By this process of data collection, discussing them in the BoS to make suitable modifications in syllabus and by incorporating remedial measures, we are able to design a syllabus which would help in enriching the curriculum for each programme offered by the Institute. Apart from all the above, the college conducts Open Houses for the parents at the end of each semester. The Head of the Department and the faculty, especially the Faculty Adviser of a class, meet the parents of all the students in a class personally and seek their suggestions for improvement if any. Such suggestions are brought to the attention of the concerned in cases of necessity and are implemented for qualitative improvement. Various alumni get together meetings are conducted periodically in which the Principal and the faculty of the respective departments also take part in most of the cases. Suggestions communicated by the alumni in such meetings are taken care of. The college is also in constant touch with various employers of the students whose suggestions, if any, for student training are seriously taken care of.

CRITERION II – TEACHING- LEARNING AND EVALUATION

2.1 – Student Enrolment and Profile

2.1.1 – Demand Ratio during the year

Name of the Programme	Programme Specialization	Number of seats available	Number of Application received	Students Enrolled
-----------------------	--------------------------	---------------------------	--------------------------------	-------------------

BSc	Botany and Biotechnology	29	952	29
BSc	Botany	53	853	53
BSc	Zoology	53	1226	53
BSc	Chemistry	55	1563	55
BSc	Physics	55	1675	55
BSc	Mathematics	60	1209	60
BA	English	52	2294	52
BA	Economics	70	1172	70
BA	Journalism and Mass Communication	39	867	39
BCom	Commerce	70	1321	70
View Uploaded File				

2.2 – Catering to Student Diversity

2.2.1 – Student - Full time teacher ratio (current year data)

Year	Number of students enrolled in the institution (UG)	Number of students enrolled in the institution (PG)	Number of fulltime teachers available in the institution teaching only UG courses	Number of fulltime teachers available in the institution teaching only PG courses	Number of teachers teaching both UG and PG courses
2019	2349	281	48	3	83

2.3 – Teaching - Learning Process

2.3.1 – Percentage of teachers using ICT for effective teaching with Learning Management Systems (LMS), E-learning resources etc. (current year data)

Number of Teachers on Roll	Number of teachers using ICT (LMS, e-Resources)	ICT Tools and resources available	Number of ICT enabled Classrooms	Number of smart classrooms	E-resources and techniques used
134	93	18	54	12	11

[View File of ICT Tools and resources](#)

[View File of E-resources and techniques used](#)

2.3.2 – Students mentoring system available in the institution? Give details. (maximum 500 words)

The college has a multi-faceted multi-level mentoring system for students. Academic mentoring is given through the Walk With a Scholar (WWS) and Student Support Programmes (SSP). 300 students benefit from both these programmes. These students have group and individual sessions with internal and external mentors on a regular basis. Academic mentoring is provided also to those students who join the UGC supported remedial classes.

There is also academic, psycho- social and spiritual mentoring provided by a group of volunteer teachers on campus who are assigned groups of students at the beginning of the academic year. The Faculty Advisor (FA) is a single-point contact for all the students in a class when they need academic and personal mentoring. The FA also arranges academic mentoring sessions for students with other faculty members when they need this help.

The college is proud of its very strong teacher-student relationship on campus. This is facilitated to a considerable extent by the Faculty Advisor. There are 58 Faculty Advisors in charge of 58 classes at the UG (42 classes) and PG (16 classes) levels. Faculty advisors and teachers are often called upon to give psycho-social counselling. Faculty Advisors are instructed to look at the Differential Analysis Chart given to them to identify weaker students, informally identify the weaker students on a personal basis, and to pair them with bright students or make them part of a small mixed ability group of 5-6 students who would help each other and seek

the help of a teacher if needed. Faculty Advisors expose parents to the performance level of their wards, on the basis of which the concerned parties will be aware about where they stand in the academic and non-academic fields. The Open House is held once in a semester, immediately after their internal exams, for the three-degree classes separately. Parents are informed about the meeting in advance. This exercise is found to be of great assistance to all the participants involved. The objectives of the Mentoring system practised in the college focus on knowing the personal needs and difficulties (both academic and non-academic) of the students in order to help them bring the best out of their efforts. It also provides psychological and emotional support to the students for helping them to face adverse and crisis situations. Not only do the educational needs of students have to be addressed, but also their social and psychological issues need to be handled sensitively. It is in this context that different modes of mentoring were adopted on campus. There is a professionally qualified, well experienced full time counsellor on campus. Her services are given great importance and utilized to the maximum. The counsellor visits all classes in every semester and talks on a range of topics such as psychological well-being, how to avoid stress and anxiety, etc. She also has personal sessions with all PG students on campus who visit them at least once a year. Closer attention and counseling are given to all students who are identified with need.

Number of students enrolled in the institution	Number of fulltime teachers	Mentor : Mentee Ratio
2630	134	1 : 20

2.4 – Teacher Profile and Quality

2.4.1 – Number of full time teachers appointed during the year

No. of sanctioned positions	No. of filled positions	Vacant positions	Positions filled during the current year	No. of faculty with Ph.D
134	134	0	10	80

2.4.2 – Honours and recognition received by teachers (received awards, recognition, fellowships at State, National, International level from Government, recognised bodies during the year)

Year of Award	Name of full time teachers receiving awards from state level, national level, international level	Designation	Name of the award, fellowship, received from Government or recognized bodies
2020	Dr Suboj Babykutty	Assistant Professor	Kairali Gaveshana Puraskaram awarded by KSHEC, Government of Kerala
No file uploaded.			

2.5 – Evaluation Process and Reforms

2.5.1 – Number of days from the date of semester-end/ year- end examination till the declaration of results during the year

Programme Name	Programme Code	Semester/ year	Last date of the last semester-end/ year-end examination	Date of declaration of results of semester-end/ year- end examination
BA	AUEN	6	08/06/2020	28/07/2020
BA	AUENSF	6	08/06/2020	28/07/2020
BA	AUEC	6	08/06/2020	28/07/2020
BA	AUJC	6	09/06/2020	28/07/2020
BSc	AUPY	6	11/06/2020	28/07/2020
BSc	AUCH	6	08/06/2020	28/07/2020
BSc	AUBO	6	11/06/2020	28/07/2020

BSc	AUZO	6	11/06/2020	28/07/2020
BSc	AUBB	6	11/06/2020	28/07/2020
BSc	AUMM	6	10/06/2020	28/07/2020
View Uploaded File				

2.5.2 – Average percentage of Student complaints/grievances about evaluation against total number appeared in the examinations during the year

Number of complaints or grievances about evaluation	Total number of students appeared in the examination	Percentage
890	2495	35.6

2.6 – Student Performance and Learning Outcomes

2.6.1 – Program outcomes, program specific outcomes and course outcomes for all programs offered by the institution are stated and displayed in website of the institution (to provide the weblink)

http://departments.marivanioscollege.com/

2.6.2 – Pass percentage of students

Programme Code	Programme Name	Programme Specialization	Number of students appeared in the final year examination	Number of students passed in final year examination	Pass Percentage
AUBB	BSc	Botany and Biotechnology	26	23	88.5
AUBO	BSc	Botany	45	33	73.3
AUZO	BSc	Zoology	42	31	73.8
AUCH	BSc	Chemistry	45	35	77.8
AUPY	BSc	Physics	48	37	77.1
AUMM	BSc	Mathematics	55	47	85.5
AUEN	BA	English	50	49	98
AUEC	BA	Economics	68	52	76.5
AUJC	BA	Journalism and Mass Communication	38	34	89.5
AUCO	BCom	Commerce	72	62	86.1

2.7 – Student Satisfaction Survey

2.7.1 – Student Satisfaction Survey (SSS) on overall institutional performance (Institution may design the questionnaire) (results and details be provided as weblink)

https://marivanioscollege.com/Welcome/Useful_links

CRITERION III – RESEARCH, INNOVATIONS AND EXTENSION

3.1 – Promotion of Research and Facilities

3.1.1 – The institution provides seed money to its teachers for research

No

No file uploaded.

3.1.2 – Teachers awarded National/International fellowship for advanced studies/ research during the year

Type	Name of the teacher awarded the fellowship	Name of the award	Date of award	Awarding agency
National	Dr Suboj Babykutty	KAIRALI GAVESHANA PURASKARAM	31/12/2020	The Kerala State Higher Education Council
No file uploaded.				

3.2 – Resource Mobilization for Research

3.2.1 – Research funds sanctioned and received from various agencies, industry and other organisations

Nature of the Project	Duration	Name of the funding agency	Total grant sanctioned	Amount received during the year
Interdisciplinary Projects	730	Kerala State Higher Education Council	25	1
No file uploaded.				

3.2.2 – Number of ongoing research projects per teacher funded by government and non-government agencies during the years

1

3.3 – Innovation Ecosystem

3.3.1 – Workshops/Seminars Conducted on Intellectual Property Rights (IPR) and Industry-Academia Innovative practices during the year

Title of workshop/seminar	Name of the Dept.	Date
Fairness in Questionnaire Design: Exploring the Data Dynamics	Commerce	06/02/2020
International symposium on converging technologies for human welfare: Biotechnology, Nanotechnology and Information technology: Concept to human life	Biotechnology	02/07/2019
Workshop on plant tissue culture	Biotechnology	28/10/2019
Opportunities to be industry ready	Biotechnology	13/12/2019
No file uploaded.		

3.3.2 – Awards for Innovation won by Institution/Teachers/Research scholars/Students during the year

Title of the innovation	Name of Awardee	Awarding Agency	Date of award	Category
nil	nil	nil	Nil	nil
No file uploaded.				

3.3.3 – No. of Incubation centre created, start-ups incubated on campus during the year

Incubation Center	Name	Sponsored By	Name of the Start-up	Nature of Start-up	Date of Commencement
Dept of Commerce	IEDC MIC	Dept of Commerce	Hortisolution	Agriculture related	06/11/2019
No file uploaded.					

3.4 – Research Publications and Awards

3.4.1 – Ph. Ds awarded during the year

Name of the Department	Number of PhD's Awarded
Physics	5
Zoology	3
Mathematics	2
Chemistry	1
Commerce	2
English	1

3.4.2 – Research Publications in the Journals notified on UGC website during the year

Type	Department	Number of Publication	Average Impact Factor (if any)
International	Zoology	12	3.76
National	Commerce	9	0
International	Commerce	3	0
International	Biotechnology	1	0
International	Physics	68	2.5
International	English	3	0
National	English	5	0
View Uploaded File			

3.4.3 – Books and Chapters in edited Volumes / Books published, and papers in National/International Conference Proceedings per Teacher during the year

Department	Number of Publication
Journalism	1
Biotechnology	1
English	1
No file uploaded.	

3.4.4 – Patents published/awarded during the year

Patent Details	Patent status	Patent Number	Date of Award
nil	Nil	0	Nil
No file uploaded.			

3.4.5 – Bibliometrics of the publications during the last academic year based on average citation index in Scopus/ Web of Science or PubMed/ Indian Citation Index

Title of the	Name of	Title of journal	Year of	Citation Index	Institutional	Number of
--------------	---------	------------------	---------	----------------	---------------	-----------

Paper	Author		publication		affiliation as mentioned in the publication	citations excluding self citation
Tunable light emission using crystalline carbon dots	John J., Mathew R.M., Thomas T., Abraham R., Rejeena I., Jayakrishnan R., Chacko F., Thomas V.	Journal of Optics (India)	2019	2	Mar Ivanios College	2
Structural analysis, NLO activity and Hirshfeld surfaces of DL-cysteinium semioxalate crystal	Suma, V.K., Aruldas, D., Hubert Joe, I., John, N.L.	Journal of Molecular Structure	2020	1	Mar Ivanios College	1
Rapid colorimetric detection of mercury using silver nanoparticles in the presence of methionine	Balasurya, S. Syed, Asad Thomas, Ajith M. Marraiki, Najat Elgorban, Abdallah M. Raju, Lija L. Das, Arunava Khan, S. Sudheer	SPECTROCHIMICA ACTA PART A-MOLECULAR AND BIOMOLECULAR SPECTROSCOPY	2020	6	Mar Ivanios College	6
On the Geodetic and Hull Numbers of Shadow Graphs	Ullas Chandran, S.V., Dourado, M.C., Thankachy, M.G.S.	Lecture Notes in Computer Science (including subseries Lecture Notes in Artificial Intelligence and Lecture Notes in Bioinformatics)	2020	1	Mar Ivanios College	1

Iron assisted formation of CO ₂ over condensed CO and its relevance to interstellar chemistry	Methikkalam, Rabin Rajan J. Ghosh, Jyotirmoy Bhuin, Radha Gobinda Bag, Soumabha Ragupathy, Gopi Pradeep, Thalappil	PHYSICAL CHEMISTRY CHEMICAL PHYSICS	2020	0	Mar Ivanios College	0
Ionic conduction properties of nanocrystalline Er ₂ Ti ₂ O ₇ functional material	Sandeep, K.	Semiconductor Physics, Quantum Electronics and Optoelectronics	2020	1	Mar Ivanios College	1
$\hat{\nu}$ -Convexity Number and $\hat{\nu}$ -Number of Graphs and Graph Products	Anand, B.S., Narasimha-Shenoi, P.G., Ramla, S.S.	Lecture Notes in Computer Science (including subseries Lecture Notes in Artificial Intelligence and Lecture Notes in Bioinformatics)	2020	0	Mar Ivanios College	0
Computing the hull number in $\hat{\nu}$ -convexity	Anand, B.S., Anil, A., Changat, M., Dourado, M.C., Ramla, S.S.	Theoretical Computer Science	2020	1	Mar Ivanios College	1
Characterization of classes of graphs with large general position number	Thomas, E.J., Chandran S. V, U.	AKCE International Journal of Graphs and Combinatorics	2020	2	Mar Ivanios College	2

4.4 – Maintenance of Campus Infrastructure

4.4.1 – Expenditure incurred on maintenance of physical facilities and academic support facilities, excluding salary component, during the year

Assigned Budget on academic facilities	Expenditure incurred on maintenance of academic facilities	Assigned budget on physical facilities	Expenditure incurred on maintenance of physical facilities
5500000	5843794	280000	285872

4.4.2 – Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc. (maximum 500 words) (information to be available in institutional Website)

The college has well established systems and procedures for maintaining and utilizing physical, academic and support facilities. Principal is the over all in charge of all facilities and he exercises the same duty through Heads of Departments, faculty, administrative staff, lab attendants, librarian and library assistants etc. The college has a residential Bursar who is the Estate officer and takes care of all assets of the college as well as of maintenance and he employs adequate number of support staff including Gardner, Electrician, Plumber, Driver, Security Staff, Service Staff et al. Heads of each department and faculty are in charge of the department laboratory and they keep the stock register and monitor the lab use. There are attendants attached to each lab who open and close laboratories, prepare solutions/materials for student use, collect and keep safe the specimen needed for experiments, maintain instruments and equipments. There is a mechanic who is in charge of all electrical and electronic equipments and their repair and maintenance. The routine activities of the library are managed by the Librarian with the help of five lab assistants. An automated Gate Register monitors the daily visit of the library. Books in the library are classified according to DDC scheme and barcoded using an integrated Library Management Software, LIBSOFT. All technical activities, catalogue and circulation are automated. Library provides remote access to all users for accessing on-line resources. Besides the routine services, the library extends its services to support research activities of the college and awareness programmes for accessing digital information. Library has standard infrastructure including IT, which include E-learning infrastructure, Wifi connection, wooden table and chairs with proper ventilation, fan, light, etc. The Library has an Advisory Committee to monitor and standardize the activities of the library. The college has enough number of play grounds which are utilised by staff and students to the maximum. The play grounds, gymnasium and

such sports infrastructure are under the custody and monitoring of the faculty and coaches of the physical education department and they strictly ensure that the same are properly maintained by students/staff. They also make sure that balls and sports kit items are always made available. The Director and staff of computer centre are in charge of maintaining the IT facilities. All computer labs are available to staff and students and the same are fully occupied. Repair/Upgradation/ purchase of hardware/software are also taken care of by the system administrator. Internet/intranet/LAN facilities are also fully functional and are properly maintained and monitored. The college has enough class rooms/seminar halls and the same are used fully. Class rooms are opened, closed and cleaned daily by support staff. Any furniture repairs needed are done immediately by the carpenter. The proper and optimal use of electric lights/fans/projectors etc are ensured. There are security personnel round the clock in the campus who ensure the safety and security of all estate and infrastructure and the roads, entry points etc. are all under CCTV surveillance for safeguarding the assets.

5.3.2 – Activity of Student Council & representation of students on academic & administrative bodies/committees of the institution (maximum 500 words)

The college has a very active Student Council elected by the students through a Parliamentary mode of election. Mar Ivanios College has a rich legacy of student union activities for many decades and hundreds of leaders in Kerala both at the political and social levels have been groomed through their activities in the college during their student days. The student union for the year 2019-20 was sworn in after General Elections held on 27 September 2019. The Union kick started its activities with "Kelikottu" a musical extravaganza held on 9th October. 'Thira', the weekly cultural fiesta organized by the Union, provided a platform for many budding talents of Mar Ivanios to be recognized among their peers. Several editions of 'Thira' were conducted by the Union. 'Thira' had a literary counterpart 'Shabdham' that organized debates and discussions on pertinent social issues. In the wake of a controversial incident, the Union conducted a street play kannu thurakatha niyamangale on 11th November 2019. As part of the Childrens Day celebration, the students paid a visit to an orphanage, under the name Oppam on 13 th November 2019. Essential commodities and food for the residents were sponsored by the college. The students spent their day with the children cheering them and sharing their happiness. The Union celebrated regional festivals in their true spirit by organizing a sweet fest for Diwali and a Sreeman Sreemathi competition for Keralappiravi. The Union also encouraged sports and games among the students by organizing competitions. Inter department Sevens football, Cricket and Volleyball tournaments were organized on a large scale in December. A film quiz based on Malayalam movies was conducted by College Union on 9 th January 2020 and the quiz masters were students themselves. A food fest was organised by Mathrukam the women wing of College Union on 14 January 2020 in College auditorium. Homemade delicacies were a major attraction, every department was given a stall each. Students contributed the profits of the sale to charity. A theme based face painting competition was organized by the Union on the topic

"Drug Abuse". The College Arts Fest was named dholak (symbolizing the musical instrument dholak that talks art and politics in each of its beat)was held in January. A cultural parade (kalajadha) was also held. Ivano film fest, was held on 4th and 5th of February in Tagore theatre, Vazhuthacaud. The festival days were enjoyed thoroughly by the student community, with the whole movie theatre going into a festive mood. The Union decided to go beyond the conventional idea to commemorate Valentine's day on 14th February. The event began with paying tribute to the brave Jawans of the country whose love for the nation sustains our lives. The College put on a splendid show with its students grabbing prizes for most of the major events and the overall trophy in the Kerala University Youth Festival. The College Union can be extremely proud of the way they planned and executed activities throughout the year.

5.4 – Alumni Engagement

5.4.1 – Whether the institution has registered Alumni Association?

Yes

The alumni association- Association of Mar Ivanios College Old Students (AMICOS www.amicos.in)- functions through its central, regional, and foreign chapters, and aims at establishing close contact and friendship among old students with a view to undertaking various social, cultural and academic activities. AMICOS contributes significantly to the development of the institution through financial and non-financial means. Alumni of the college comprises of leaders who have excelled in diverse fields like global stalwarts, academicians, spiritual leaders, judges, scientists, professors, CEO's, ministers, legislators, film artists, national/international sports personalities, businessmen, etc. to cite a few. In the last five years, AMICOS has generated a donation of Rs. 1 crore for the construction of a Research Centre and 10 lakhs for various other student support activities. Kuwait chapter makes a contribution of about Rs.50000/- annually towards the 'Dakshina' programme, for supporting the free noon-meal scheme for needy students. The social commitment of the alumni is also vivid from the contribution of Rs. 1 lakh they made to the Chief Minister's Distress Relief Fund after the recent Kerala floods. Alumni also regularly contribute to various scholarships/prizes for the students. The recent contribution of Rs. 2 lakhs by B Com 1975-1978 batch towards an endowment programme and proficiency prizes of Rs.2000 each to class toppers are a few examples. The dream project of the AMICOS to build a research center and an auditorium are in the process of being realized. Many of our eminent alumni in specialized areas have been inducted in academic bodies like BoS and Academic Council and they extend all possible academic support to the college. Scholars of repute from our alumni frequently visit and motivate our students Dr.Vinod Thomas ,Vice President, World Bank, Bishop Dr. Samuel Mar Irenios, Former DGP Dr. Alexander Jacob IPS, Former Chief Secretary Dr. K. Jayakumar IAS, Dr. Ajoy Jacob, Scientist USA, Mr.E.M Najeeb ,Industrialist, Former Chief Justice J.B. Koshy et.al. are a few who have visited the college and motivated our students. Alumni from the print, visual and film industry regularly interact with the Journalism students. A programme, 'Connecting Careers' has been instrumental in bringing together former students of the college who have established their names in diverse fields and initiating the present generation into the same fields. The all-time motivational celebrities and eminent personalities of alumni include Mr.Sajan Skaria (Oscar award for animation category -2016, Mr. Shyam Chand (Oscar award for Special visual effects 2007, 2012), Mr. Sanju V Samson (Indian Cricket Team), Ms. Nayana James (National Athlete), Mr. G Venugopal (Play back singer) Mr. Anuj Joshua Mathew, (British Civil Service), a handful of Indian Civil Service officers and many others are role models for our students. As a consequence our students chart out well defined future programmes during their course of study and strive to achieve it. Eminent alumni also give career guidance to our students and AMICOS

has conducted workshops in the past for the final year UG and PG students for career guidance.

5.4.2 – No. of registered Alumni:

1

5.4.3 – Alumni contribution during the year (in Rupees) :

1750000

5.4.4 – Meetings/activities organized by Alumni Association :

AMICOS Proficiency prizes are being awarded to the toppers of the final year UG and PG degree examinations. The first rank holder from each programme is rewarded with Rs. 2000 and the second rank holder with Rs.1000 as cash prizes. An amount of Rs. 60,000 was contributed by AMICOS, collected from the former students of the College for the proficiency prizes. The final year UG and PG students after completing their courses will be enrolled into AMICOS. AMICOS database will be updated every year. An AMICOS website has been started with the domain name www.amicos.in. On-line registration by former students is enabled through this website which, after manual verification, will be approved. Provision for an online discussion/suggestion on the projects undertaken by the AMICOS is being provided to the alumni after the initial registration is completed. An e-mail ID for AMICOS has been created amicos@mic.ac.in. Batch wise get together of AMICOS is conducted every year generally in January. The date will be informed through the website leading news papers. Former teachers are honored during the function. Cultural program by the old students would be a part of the event. To commemorate the memory of Rev. Dr. Geevarghese Panicker who served as the Principal of the College for 18 years, AMICOS decided to generate a fund, targeting Rs 1 crore, for the construction of a seven storeyed Fr. Geevarghese Panicker International Research Centre (approx.14000 sq ft). This centre will have: • International Multidisciplinary Research Facility • Future Track- a career guidance cell • Upgraded IGNOU study centre • DDU Kaushal Kendra • Foreign Languages Centre with Language Labs • Self Financing courses for skill enhancement • Santhwana- a counseling centre An amount of Rs. 17.5 lakhs has been collected for the construction of this block by 2019-'20. Noon meal Programme This scheme is being offered to the neediest students by providing them lunch during College working days. Every year 30-50 students are being provided lunch through this scheme. AMICOS Kuwait Chapter provides Rs.75,000 every year for this programme AMICOS lecture series to benefit the final year UG and PG students has been decided to be launched in the next academic year. Eminent alumni of the college will make lectures for students in areas of their specialization. Online day to day communication of relevant matters have been facilitated among the Alumni members of the College by leveraging the social media- through the official four Whats app groups (with each group comprising of 250 members each), Year-wise Whats app groups, face book page and website. This provision enabled the members to stay updated of the matters pertaining to the College relevant information of wider interest to the Alumni and greatly enabled financial support to one of our former students who had undergone Kidney transplantation with the monetary support of 8 lakh rupees, through a fund raising among the group members.

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

In order to make an effective utilisation of the intellectual resources of the

faculty towards quality enhancement Nine Criteria wise Quality circles were constituted namely 1.curricular aspects, 2.teaching, learning and evaluation, 3.research, innovation and Extension, 4. Infrastructure and learning resources, 5. Student support and progression, 6.Governance, Leadership and management, 7.Institutional Values and Best Practices, 8. Profile and extended profile of the college and evaluative report of the departments and 9. Central documentation and digitalization of data. Each QC meets periodically, engaging in active discussions with the ultimate objective of quality enhancement in different dimensions. Each QC will be headed by a co-ordinator and the majority of the members of the QCs belongs to Assistant professor level whereby their active participation in decision making process is ensured. At the same time, this was a significant step towards decentralising the academic processes facilitating the development of executive capabilities of the faculty. Quality benchmarks for various academic and administrative activities were developed/modified through these discussions. Through discussion and brainstorming sessions, every possible effort is taken by these quality circles to identify the areas which require further improvement, issues and challenges associated with regard to the activities under different criteria. The contributions of the quality circles in the form of their findings and suggestions help the administrative authorities to a great extent in formulating strategies and action plans for the future. Further the active involvement of faculty in the QC activities enriches their experience and enable them to handle administrative capabilities with confidence. 2. Strengthening of participative culture in community extension activities. In order to cater to the varying requirements of the society and to sensitise the student community towards the issues and challenges in the society extension activities in various aspects are planned and implemented. Students are encouraged to come forward with innovative ideas and solutions to the challenges and issues faced by the community at large. The campus community creatively respond to the pressing needs of the society and try to involve in finding solutions by utilising the resources of the college. National Service Scheme (NSS), one of the active extension wing in the college initiated to construct a house for a needy member in the campus community this year. Though the project was initiated and co-ordinated by the National Service Scheme, they made it an integrated effort of all the related stakeholders in the campus community for the effective fulfilment of this noble cause. All the major stakeholders in the campus such as students, faculty, parents, aluminites, management etc actively contributed to the project, so as to make it a successful reality. The extension activities in the campus are planned and implemented in this manner realising the need for an integrated effort and participative management in addressing the needs and requirements of the local community and society at large.

6.1.2 – Does the institution have a Management Information System (MIS)?

Yes

6.2 – Strategy Development and Deployment

6.2.1 – Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details
Teaching and Learning	In order to enhance the quality of teaching learning process, every possible effort is made to transform the process towards outcome-based education (OBE). As the young students are more equipped with technological skill, adequate focus is given for technology integration in classroom

activities. In order to facilitate experiential learning, field trips, internships, industrial visits etc were made mandatory in syllabus. Priority is given for Team assignments, group discussions, and other collaborative learning modes to make the students active learners which is an essential pre-requisite for improving the quality of learning.

Curriculum Development

Board of studies are constituted for each subject with experts from the major academic institutions and the relevant industries. The present curriculum and its implementation are scrutinised twice every year. If modifications are needed according to the needs of the industry or developments in the respective disciplines, committees are formulated for that purpose and they discuss and present it before the Board of Studies for syllabus modifications. After discussions, it is forwarded to the Academic Council for further discussions and send for the approval of the University. The academic council make sure that the syllabus is according to the needs of the industry and global academic development.

Admission of Students

The admission process is fully online from the submission of application to the final payment of fees. Entrance Examinations are conducted for a couple of courses as per the recommendations of the respective Boards of Studies. All reservation and general Govt norms are strictly adhered to.

Industry Interaction / Collaboration

In order to make students familiar with the real work life situations and challenges, adequate focus is given for active collaboration with various industries. While taking up project works students are encouraged to identify projects which can contribute to solve the various problems and challenges faced by different categories of industries. In order to promote a collaborative learning culture which is beneficial both to the learners and industries, field works and internships are made mandatory and yield very positive outcome

Human Resource Management

Appointments are conducted fulfilling government regulations. Proper induction is done regarding the newly

	<p>appointed members to the respective departments. Trainings are arranged from time to time for the non teaching staff also.</p>
<p>Library, ICT and Physical Infrastructure / Instrumentation</p>	<p>College has a fully automated and integrated Library Management software with automated Gate Register facilities. The Library has advisory committee (LAC) is constituted for policy decisions regarding the betterment of the facilities. New classrooms and other physical facilities have been augmented as per need.</p>
<p>Research and Development</p>	<p>Research Promotion and Ethics Committee meet periodically and chalk out policies and plans to enhance the standard of excellence in research activities of the college. Training programmes, workshops, seminars etc are periodically organised to equip the researchers towards emerging development in research and development scenario. Researchers are required to present a report regarding the progress of their research activities twice a year. Discussions and suggestions evolving in this process will contribute a lot to identify the gaps and limitations in the methodology part and help them to modify the process accordingly.</p>
<p>Examination and Evaluation</p>	<p>The college has a fully independently working department (Office of the Controller of Examinations) for conducting the End semester examination. An examination committee is conducting the examinations in a fool proof way. Internal examination committee is conducting the internal examinations in a centralised way. MOOC platform, Group projects, dissertations, practical etc are also used for evaluation and grading of the students. We have developed Question Bank for the end semester examinations.</p>

6.2.2 – Implementation of e-governance in areas of operations:

E-governance area	Details
<p>Student Admission and Support</p>	<p>Submission of applications, payment of fees, publication of rank list, issue of interview memo,</p>
<p>Examination</p>	<p>Examination registration, issue of hall ticket, publication of results, issue of mark list,</p>

6.3 – Faculty Empowerment Strategies

6.3.1 – Teachers provided with financial support to attend conferences / workshops and towards membership fee of professional bodies during the year

Year	Name of Teacher	Name of conference/ workshop attended for which financial support provided	Name of the professional body for which membership fee is provided	Amount of support
2020	Mr Manasse Benny	Workshop on Research Methodology in Social Sciences with special focus on tourism and hospitality sector	Amal College of Advanced Studies, Nilambur	2440
2019	Ms Susan Kurien	Training Workshop on invitro toxicology: concept and practice with emphasis on hepatotoxicity, entrotoxicity and multiple organ toxicity with IdMOC	Dept of Zoology, University of Kerala	4000
2019	Dr Leenamma Joseph	Workshop on tissue regeneration using Zebra fish and echinoderms as alternative animal models	Dept of Zoology, University of Kerala	4500
2019	Ms Deepamol Thomas	Workshop on SPSS and its applications	Christ University Nodal Office Trivandrum	3000
2019	Dr Sajith Kurien	Refresher Course in Material Science	UGC HRDC Karyavattom	1000
No file uploaded.				

6.3.2 – Number of professional development / administrative training programmes organized by the Colleges for teaching and non teaching staff during the year

Year	Title of the professional development programme	Title of the administrative training programme	From date	To Date	Number of participants (Teaching staff)	Number of participants (non-teaching staff)
------	---	--	-----------	---------	---	---

	organised for teaching staff	organised for non-teaching staff				
2019	Workshop on Outcome Based Education	NA	24/01/2020	25/01/2020	59	Nil
2020	SmartE MIC - Training on Question Bank Preparation	NA	24/01/2020	24/01/2020	96	Nil
2020	Webinar on Introduction to Online Teaching	NA	18/05/2020	20/05/2020	65	3

6.3.4 – Faculty and Staff recruitment (no. for permanent recruitment):

Teaching	Non-teaching

Permanent	Full Time	Permanent	Full Time
10	31	0	0

6.3.5 – Welfare schemes for

Teaching	Non-teaching	Students
Staff Cooperative Society Loan facility available	Staff Cooperative Society Loan facility available Festival allowance	Free noon meal programme Endowments Fee reduction

6.4 – Financial Management and Resource Mobilization

6.4.1 – Institution conducts internal and external financial audits regularly (with in 100 words each)

The college conducts internal and external financial audits regularly. Internal financial assessment and auditing are undertaken by a senior teacher in charge of the respective scheme, Bursar and the Principal. External audits are done by Chartered accountants deputed by the management. In addition to the above, audit by Deputy Director of Collegiate education (DyDCE) and by the Accountants General (AG) of India are made every year for all funds and collections under the aided stream. The major financial sources of the College are (i) UGC grant for various schemes (Plan funds), (ii) CPE scheme (iii) DST-FIST support (iv) DBT STAR College scheme (v) Autonomy grant from UGC (vi) mandatory fee collections from students at the time of admission and during study as stipulated by the University and Government of Kerala (vii) Other Government Schemes like WWS, SS, ASAP, Scholarships, etc. (viii) Parent Teachers Association Collection (ix) Management fund from students admitted to Self-financing programmes and (x) Research grant to individual faculties. In most of these schemes the Principal in consultation with the College council, appoints a coordinator/secretary to oversee the utilization in tune with the guidelines of the sanctioning authority. The Coordinator/Secretary with the consent of Principal makes payment. For PTA funds, the PTA general body elects a secretary who oversees the utilization and auditing. The management funds are handled by the Bursar who gets the accounts audited by external auditors every year. With regard to research grants, the Principal Investigator of the project is responsible for the auditing and submission of the accounts, through the Principal, to the sanctioning authority. The institution has also Finance Committee which oversees and monitors the funds received from different sources like UGC, DST, DBT or from any Government agency. Budget is prepared annually on the basis of allocated funds and funds are distributed to all departments. There is also a Purchase Committee which oversees the proper purchase of all equipment and ensures equitable distribution of available funds. The Coordinator/Secretary with the help of the Head Accountant of the College prepares the financial statement at the end of the year and the executive committee or the members of the respective schemes/programmes scrutinize the statement of accounts and in some cases internal auditing also exists. This will be followed by the External Auditing procedures by Chartered Accountants deputed from time to time. The College goes through a process of government-stipulated, mandatory external financial audit by AG, DyDCE and DCE annually. Any objection or clarification raised will be dealt with utmost care and the required additional documents/bills/vouchers will be produced before the Auditors in time. The auditors prepare the final report after clearing anomalies, if any, and submit to the Principal. College received excellent Audit Report from the Government agencies which indicates the transparent and proper utilization of the allocated funds by the college.

6.4.2 – Funds / Grants received from management, non-government bodies, individuals, philanthropies during the year(not covered in Criterion III)

Name of the non government funding agencies /individuals	Funds/ Grnats received in Rs.	Purpose
Alumni Association	1750000	Building Construction
View File		

6.4.3 – Total corpus fund generated

0

6.5 – Internal Quality Assurance System

6.5.1 – Whether Academic and Administrative Audit (AAA) has been done?

Audit Type	External		Internal	
	Yes/No	Agency	Yes/No	Authority
Academic	Yes	Nil	Yes	Academic Audit Committee
Administrative	Yes	Nil	Yes	The college management

6.5.2 – Activities and support from the Parent – Teacher Association (at least three)

Salary for support staff Electricity Charges Students support for sports training and arts festivals Salary advance for faculty

6.5.3 – Development programmes for support staff (at least three)

Periodic trainings Work assessment Financial loan if necessary
--

6.5.4 – Post Accreditation initiative(s) (mention at least three)

Starting of more PG programmes of study Starting of more skill based add on courses for students Introducing Out Based Education Framework for the curricula of all UG/PG programmes. Organizing more career trainings and campus placements for graduating students.

6.5.5 – Internal Quality Assurance System Details

a) Submission of Data for AISHE portal	Yes
b) Participation in NIRF	Yes
c) ISO certification	No
d) NBA or any other quality audit	No

6.5.6 – Number of Quality Initiatives undertaken during the year

Year	Name of quality initiative by IQAC	Date of conducting IQAC	Duration From	Duration To	Number of participants
2019	Student IQAC Meeting	Nil	13/08/2019	Nil	35
2019	AQAR preparation for 2019-20, data Collection, Action plan for data collection through Faculty	Nil	03/01/2020	Nil	30

	Quality Circles(FQC) launched				
2019	Central documentation committee was established	Nil	19/12/2019	Nil	4
2019	Initiated the design of syllabus for various add on courses through FQC	Nil	11/04/2019	Nil	26
2019	Initiated the project preparation for UGC Paramarsh scheme	Nil	22/08/2019	Nil	4
2020	Action plan to focus on fifth cycle(2024) NAAC accreditation was done and appropriate working team was identified	Nil	12/02/2020	Nil	19

CRITERION VII – INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 – Institutional Values and Social Responsibilities

7.1.1 – Gender Equity (Number of gender equity promotion programmes organized by the institution during the year)

Title of the programme	Period from	Period To	Number of Participants	
			Female	Male
Stitching class	01/08/2019	Nil	20	0
Workshop on Liquid Design on Fabric in association with Fevicryl private Ltd	21/08/2019	Nil	40	0
Cancer care Research Foundation, Mar Ivanios College	14/08/2019	Nil	264	0

Women's cell and Regional Cancer Centre, Trivandrum jointly organised a cancer awareness seminar				
Self-defence training sessions	27/08/2019	23/01/2020	21	0
Talk and interactive session on Health and Hygiene with Dr. Santhamma Mathew, MBBS, MD, DGO, Credence Hospital, Trivandrum	14/02/2020	Nill	350	0
Women's cell and women's study unit of Mar Ivanios College organised a walkathon in connection with the International Women's Day	05/03/2020	Nill	300	0
Chess and Caroms tournament	26/08/2019	30/09/2019	35	27
Basketball coaching for both boys and girls	Nill	Nill	12	12
Counselling facility for women empowerment	Nill	Nill	500	0
Self defence awareness class	27/08/2019	Nill	226	0

7.1.2 – Environmental Consciousness and Sustainability/Alternate Energy initiatives such as:

Percentage of power requirement of the University met by the renewable energy sources

0.17

7.1.3 – Differently abled (Divyangjan) friendliness

Item facilities	Yes/No	Number of beneficiaries
-----------------	--------	-------------------------

Physical facilities	Yes	34
Provision for lift	Yes	34
Ramp/Rails	Yes	34
Rest Rooms	Yes	34
Scribes for examination	Yes	34
Special skill development for differently abled students	Yes	34

7.1.4 – Inclusion and Situatedness

Year	Number of initiatives to address locational advantages and disadvantages	Number of initiatives taken to engage with and contribute to local community	Date	Duration	Name of initiative	Issues addressed	Number of participating students and staff
2019	1	1	09/08/2019	6	Flood relief camp	Provided food, medicines and clothes to the flood affected people at the relief camps	150
2019	1	1	01/10/2019	1	Blood Donation Camp	Donated blood to the nearby Medical College, Regional Cancer Centre, etc	150
2019	1	1	24/09/2019	1	Construction	Construction of a home for one of the needy students	150
No file uploaded.							

7.1.5 – Human Values and Professional Ethics

Title	Date of publication	Follow up(max 100 words)
-------	---------------------	--------------------------

<p>Mar Ivanios College Handbook</p>	<p>03/06/2019</p>	<p>The college handbook contains the necessary human values and professional ethics to be maintained by the faculty, staff and students of the college. The Principal in all staff and council meetings exhort the staff to adhere strictly to the values and ethics. The students are also constantly reminded of the same by the Heads of Departments and the Faculty Advisers. In the Open House meetings the parents are also made aware of the values which the college stands for. On the inaugural day of the academic year for the newly admitted students, there is a mass gathering of all the freshers and their parents and proper talks are given on the occasion about all the universal human values and ethics.</p>
-------------------------------------	-------------------	---

7.1.6 – Activities conducted for promotion of universal Values and Ethics

Activity	Duration From	Duration To	Number of participants
International Yoga day	21/06/2019	Nil	60
Mass Beach Cleaning cum awareness Drive -2019 Cleaned the Kadinakulam, Trivandrum Beach	16/11/2019	Nil	59
Science, Technology and Innovation for a Clean, Green Healthy Nation	27/12/2019	31/12/2019	242

Health Hygiene awareness camp was organized at the Govt. Tribal School, Meenankal	Nil	Nil	57
Orientation for first year NSS volunteers	20/09/2019	Nil	170
No file uploaded.			

7.1.7 – Initiatives taken by the institution to make the campus eco-friendly (at least five)

Ban of plastic and flex material Paperless administrative system Planting and rearing of plants and trees Power saving methods adopted Water bodies are safe guarded

7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

Title: Science Facilitation Centre (SFC) Basic science education at the higher education level seemed to suffer a setback in the last decades of the previous century and early 21st century as more brilliant minds opted for professional programmes. The development of a nation depends mainly on the growth of basic science education and research and it seemed necessary to promote and attract more students to science streams. In this context, the Science Facilitation Centre (SFC) started at Mar Ivanios College in the year 2007 and now is on its 13th year. It was established with a view to inspire the educationally brilliant youngsters at the high school level, with special focus on the economically marginalized. The centre imparts training in both theoretical and practical aspects of science in a stress-free, highly interactive, and creative ambience. The major objective of the Centre is to lead the young promising minds beyond the constraints of the curriculum into the exciting world of science whereby they gain deeper insights and learn to apply the knowledge they have garnered in an ingenious and inventive manner for constructive follow up in the higher classes. The Practice Every year nominations are invited from the principals of various private and government schools in the Thiruvananthapuram district and based on their nominations and the student merit, 40 to 50 talented students of standards VIII and IX are selected for the training. The duration of the course is one year and the programme is conducted every second Saturday of the month from 9.30 AM to 4 PM. Selected UG and PG students of Mar Ivanios college are given initial training to act as Teacher-Facilitators to the school students and they help the school students to carry out experiments in the laboratories of the Department of Physics, Chemistry and Life Sciences. Thus this is a twin-objective programme in which both the college students and schools students are benefited. The daily programme starts with an interactive session with an expert in the field of science and technology and it is scheduled for one hour. A few eminent experts who engaged such sessions in the past include Prof P. Radhakrishnan (trained astronaut), Dr. K. Radhakrishnan (Chairman, ISRO), Dr. Nambinarayanan, Dr. Anil Bharadwaj (both ISRO senior scientists), Dr. P. Mohandas (Director, SCTIMST), Dr. Jayasree (Senior scientist, SCTIMST), Dr. Achuthsankar S Nair (Professor, University of Kerala), Dr. Pradeep (RGCB), Prof. C.P. Aravindakshan, Mr. Nandakumar IAS, et.al. Then students are divided into groups and training on 5 different topics namely Mathematics, Physics, Chemistry, Botany and Zoology are given. The experimental facilities in the laboratories of Mar Ivanios College are fully set apart for

these students on the training days. The students get a theoretical concept of the experiments followed by hands on training. In between, students can perform demonstration on scientific experiments. At 3.30 PM the students gather and they record their feedback on the day's activity and disperse. Any doubts regarding theory or experiments are cleared by the teachers. Field visits are also arranged for the students two to three times a year. The visit usually is to an Academic or research institution in or around Trivandrum like Space museum VSSC, Planetarium, Hydro-electric plant, etc This is a very unique programme in Arts Science colleges and every year 40-50 high school students pass the programme with deep passion for scientific study and research. Apart from that, selected college students who act as teacher facilitators also get a unique chance to 'learn by teaching'. Also this is a programme where all the facilities of a college are extended to the training of school students without much cost from the part of takers and hence this is highly beneficial to socially and financially backward students also. The main constraint with the running of the programme is the lack of any external funding for the same as this is conducted in a college mainly focused on the training of school students. The programme has attracted public interest and every year we get more applications than we can accommodate. This programme has been continuing for the last eleven years with sufficient number of students. We are collecting feedback from all the students and it shows the growing enthusiasm and interest in the students on the completion of one day's programme. We have observed that most of the students and teacher facilitators who complete the programme go for higher studies and research in basic sciences in reputed institutions. Realizing the importance of this programme, every year the education minister of the state or some other minister him/herself comes to address the students and distribute the prizes. Education minister has also announced that this programme should be implemented in other arts science colleges also. Title of the Practice: Cambridge University Business English [Vantage] Certificate Course One of the major problems identified by modern day employers for the unemployability of otherwise highly qualified candidates is the lack of communication skills especially in English which is an international language. This is especially true of Kerala where students are good at studies and marks, but may be weak in communications. It is evident that more than ever, a good knowledge of English is needed to succeed in international business and commerce. If one can show relevant language skills one has a great advantage in the jobs market and much greater flexibility if he/she wants to work abroad. An internationally recognized business qualification can help students show that they have learned English to an appropriate standard and can use it in a professional context. In this context there was a genuine need for a course which would not only improve the English communication skills of students, but which would be beneficial in the long run with its international appeal. Understanding this need of students, the College became a test centre of the Cambridge University Business English (Vantage) Certificate Course. This is all the more relevant since Trivandrum is a global IT hub where a large number of MNCs are stationed who need internationally qualified personnel. The Centre started its training sessions from June 30, 2007 and it is now into its 13th year after inception. The practice adopted in the training comprises of an initial screening of the students on the basis of a test where they have to demonstrate their interest in improving their communicative skills. This small group consisting of 30-40 students is given personal attention to take the international examination while in their second year UG programme at college. The course has a flexible structure where the contents are result oriented and designed accordingly by the teacher-trainers. The sessions are student-focused and are totally devoid of lectures, submission of assignments etc. They consist of language skill-building activities within a global context. The modules trained Reading, Writing, Listening and Speaking. In the Reading paper there are five tasks of the following types: multiple choice, matching, sentence

level gap-filling, multiple choice gap-filling and error identification. In the Writing paper there are two tasks, both compulsory. Candidates are trained to produce a piece of internal company communication (approx. 40-50 words), and a short report, proposal or piece of business correspondence (based on Reading input, approx. 120-140 words). In the Listening paper there are three tasks of the following types: gap-filling or note completion, matching and multiple choices. Texts used are monologues and dialogues, including interviews, discussions, telephone conversations and messages. The Speaking Test is conducted by two external examiners and candidates are tested in pairs. During the test each candidate responds to questions, gives a mini-presentation lasting approximately one minute, takes part in a collaborative task with the other candidate and takes part in a discussion with the other candidate and the interlocutor. Once awarded Cambridge ESOL BEC certificates are valid for life. This is a four months programme and classes are held on all Saturdays from 9 am to 1 pm. Trainers are faculty of the college who have completed BEC teacher training programme and have passed the BEC examination. The growing demand for the course, response from the participants and the overwhelming results on one side, plus the welcoming attitude of high-quality educational institutions and companies all over the world to this degree provides evidence for the success of the programme. The Cambridge University accredited Business English Certificate programme, running since 2007, has benefited more than 400 of the brightest students on campus. It produces a high number of distinctions [A grade] in every batch. While the national average pass percentage for BEC Vantage stands in the range of 60-65 that of the College centre is in the 80-85 range. The 100 pass in the last four consecutive years also indicate the success as well as the confidence instilled in the students when it comes to taking examinations and facing job-interviews. The College has now been accepted for registration on the Cambridge University website, providing access to global placement opportunities for students who have passed the exam from the Mar Ivanios College Training and Exam Centre for the BEC.

Upload details of two best practices successfully implemented by the institution as per NAAC format in your institution website, provide the link

<https://www.micigac.com/>

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

The vision of the college aims at achieving excellence in higher education mainly through teaching, research and extension activities. This reverberates the sentiments of the founder of the College the great visionary Servant of God Mar Ivanios. Because the spiritual, material, physical, financial emotional, intellectual and social needs of people in the community are so diverse, these social interventions help children learn to care for their less fortunate brethren to develop effective life strategies, to be a successful adult and help them to learn from actual life experiences providing opportunities for them to be viewed in a positive role by adults and peers and providing them chances to develop compassionate feelings competence and autonomy to face issues related to social and emotional transitions from adolescence to adulthood. The College has a very active NSS which makes its presence felt in the everyday activities of the College. Lessons in ecological understanding are given to the students through structured curriculums and hands on experience. Our programmes include locally invented, homegrown interventions based on indigenous wisdom, cultural sensitivity, and local experience. We have programmes in vermicomposting, water harvesting, solid waste management, medicinal garden, visits to environmentally sensitive areas which had been causing environment hazards, nature camps, etc. Students enthusiastically

participate in awareness programmes like Green walk, help the Government sponsored and NGO initiated Green Protocol initiatives while keeping the campus clean and green. Health awareness programmes and socially fatal issues like substance abuse are handled very effectively through counselling and awareness classes by experts. AIDS awareness through Pink ribbon rallies and cancer detection availing the services of doctors, blood donation etc are done almost on a daily basis. Organ donation and eye donation awareness camps are held and actions have been initiated. Open Forums on socially relevant issues open up newer vistas for students to react to social situations. Every celebration is augmented by visits to their less fortunate brethren. We have a destitute home in the campus itself called 'Snehvedu' (House of Love) and students and staff visit the same for community service very often. In 2019 Kerala witnessed heavy rain and devastating floods causing agony among the people. Our students under the auspices of NSS and NCC have taken great initiatives to collect essential items especially food, clothing medicines and distributed them to relief camps arranged for people who were badly affected by heavy rains and associated floods. The students further showed their social commitment and brotherhood by their wonderful efforts to remove the mud and soil stacked inside the houses situated flood affected areas. The pleasure of communion and social responsibility is reflected in every student enabling them to learn and keep in mind for posterity, that ideologies of what constitutes knowledge, what is important to hold sacred, and how to relay that to our society, becomes a major legacy of the College. This is a priceless inheritance handed down to the generations.

8.Future Plans of Actions for Next Academic Year

Mar Ivanios College became an autonomous college in 2014 and now the college has completed six years of autonomy. The College has to prepare for the extension of autonomy and application has to be sent to the UGC for the same. A thorough feedback of the functioning of the college during the last six years has to be taken at all levels and improvements have to be made wherever it is necessary. The examination wing of the college has been well established, but more innovative examination practices like updated Question Bank, speedy publication of results, bar coding of answer scripts etc have to be adopted. At the curricular level the college feels the need to launch more skill based UG and PG programmes of study. Currently there are 8 PG programmes, but the plan of the college is to start programmes like MSc Statistics with specialization in Data Analytics, MSc Chemistry with drug Chemistry, MSc Counselling Psychology, etc. Likewise at the UG level, in order to cater specially to the civil service aspiring students a dedicated UG programme BA Analytical Economics, with syllabus in line with UPSC syllabus is proposed to be launched. The college plans to design syllabus for new inter-disciplinary, dual degrees and twinning programmes and value-added, certificate and vocational courses as well in the coming years. Faculty trainings have to be organized more especially in the areas of ICT use for teaching and learning. All possible ICT tools have to be employed and teachers should be regularly trained for the same. More MOOC courses are planned, also take steps to enhance the e-content facilities by introducing dedicated learning platform like Moodle in the next year. The college currently has approximately 75 of its faculty with PhD, but the plan is to make the college 100 PhD faculty college. Research activities of the faculty have always been in full swing in the college and the same has to be enhanced. Currently 6 of the departments are Research departments, but more departments are to be raised to the level of research departments. Collaborative researches /projects are also planned and also we will take effective steps to strengthen MoUs with industry and corporate sectors. The major focus of the college has always been student

services, both at academic and co-curricular fronts. Student career trainings need a renewed momentum in this era of changed job scenarios. As the college has a sizeable proportion of marginalized and needy students, more institution level scholarships and free ships are proposed to be introduced. To start with we propose to introduce 100 student scholarships in the next academic year. We are blessed with a green campus, but more steps have to be taken to improve the eco-friendly ambience of the college. Erection of more solar energy units, maintenance of rain water harvesting, launching a battery vehicle from the main gate to the college for physicality weak members/visitors, establishment of a health centre at the campus, are some of the initiatives which are being planned.
